wine list to please every palate.

'Our selection is evolving constantly. In this list we have chosen some of
our favourite wines and some new discoveries. They are the wines
we want to share, speak about and can never get enough of.'

To enjoy by the glass or by the bottle, they will often be changed
to make place for newcomers.

Do not miss the chance to try new wines and get adventurous!

Missing a bottle for your dinner?

All our wines are stored in our own basement cellar. And they are all
available for take-away, so do not hesitate to ask the team and let them
direct you to the appropriate style!
