

**“We don’t drink to forget,  
We taste to remember”.**

Strong from their experiences in London **Carolina Seibel** (Head Sommelier - DipWSET) and **Xavier Rousset** (Master Sommelier & Director) have composed an **extensive & complete** wine list to please every palate.

**‘Our selection is evolving constantly.** For this list we have chosen some of our favourite wines and some new discoveries. They are the wines we want to share, speak about and can never get enough of.’

To enjoy by the glass or by the bottle, they will often be changed to make space for newcomers.

Do not miss the chance to try new wines and get adventurous!

### **Missing a bottle for your dinner?**

All our wines are stored in our own basement cellar. And they are all available for take-away, so do not hesitate to ask the team and let them direct you to the appropriate style!
