

Champagne and sparkling Wines are the most fascinating wines of all, which is why we have tailored our range within our walk-in Champagne room in our wine shop downstairs.

The selection of over 120 Champagne and sparkling wines has been selected by Founder and Master Sommelier - Xavier Rousset.

The range features rare vintages, unique finds and some personal favourites.

They are only here to complement one way of drinking

“No rules, no borders, just the pleasure to share our love for Champagne and beyond ”
